## Event overview

This one-day masterclass provides expert guidance on how to use the Visible and Valued sexual orientation equality staff training DVD. It will help you:

- Lead on implementing sexual orientation and transgender equality
- Train staff, governors and board members
- Support learners
- Deal with homophobic bullying and harassment
- Enrich equality and diversity policy and practice
- Meet legal requirements
- Plan how to use the DVD.

You will have access to a dedicated virtual learning environment and will receive a free copy of the DVD and a CD of extensive trainer's notes.

### Who should attend?
